* With the possible exception of the courses satisfying the College English Composition Requirement, the same course may be counted toward both the Core Literacies and Topical Breadth components. Overlap is *not* permitted *within either* the Core Literacies *or* Topical Breadth components. College of Engineering students may not elect P/NP option for GE. AP coursework may not be applied to GE requirements. Check AP chart in the General Catalog carefully before taking a course at UC Davis for which you already have AP credit.

∞ CMN 3 also fulfills the communication degree requirement. CMN 1 is also an option for the communication degree requirement, but does not simultaneously fulfill GE topical breadth.
